Re: Permit Review Status, Staker and Parson Companies, Beck Street Mine, M/035/019, Salt Lake County, Utah

Dear Mr. Dalley:

On April 2, 2003, the Division received Staker and Parson Companies plan for the Beck Street mine. The \$1,000 permit fee was not submitted with the notice. Due to a backlog of other permit reviews, the Division has not been able to complete a review of this plan within the usual 30-day timeframe. We apologize for the delay and any inconvenience this may cause you.

We hope to complete our review of your application within the next 30 days. However, the permit fees must be received before we can complete the review. A billing statement is enclosed for this purpose. Please submit within the next five days.

We appreciate your patience and understanding in this regard. Please contact me if you have questions or concerns with this proposed review schedule.

Sincerely,

Joelle Burns  
Engineering Tech
